INTERNATIONAL RELATIONS OFFICE

The University of Sarajevo is not a traditional campus university, and if you are used to a campus environment, you may find it very different to study here. The faculties are spread at different locations across the capital. The International Relations Office of the University of Sarajevo is located in the Rectorate of the University of Sarajevo (the central University administration offices, located in the building of the Faculty of Law). We will assist you with the issues of admission, housing, student counselling, and orientation programmes, including various social events, with the aim to help you meet other international students and members of staff. Living and studying away from home can be a challenging experience - particularly in the beginning of your stay. At the International Relations Office you have the opportunity to ask questions in informal surroundings. We will be happy to help you, or to point you in the right direction to where you can get help regardless of whether your questions relate to your study programme, personal problems, or basic practical issues.

VICE-DEANS/COORDINATORS FOR INTERNATIONAL RELATIONS AT THE FACULTY/ ACADEMY

Higher Education Institutions at the University of Sarajevo have their own office for the International Relations Office that will provide information about academic activities, exams and other infos for better exchange. LIVING AND STUDING IN SARAJEVO

SARAJEVO > CULTURE

Sarajevo - a city or a living legend? There is not one person that has not heard about Sarajevo at least once in their life, a place of stunning beauty, and a recent testimony to human courage in the face of adversity.

Sarajevo has been the meeting point between east and west for hundreds of years, the place where time seems to freeze. Many civilizations and Empires have passed through this city, each of them leaving traces behind that can be found all over. In just a few hundred meters in Sarajevo, Catholic and Orthodox churches, mosques and Jewish synagogues proudly stand side by side. Centuries have passed by and they still stand out, welcoming travellers.

Experience for yourself the warm welcome and the historical riches that make Sarajevo unique. But remember, once you come here you will always want to return.

LIVING AND STUDYING IN SARAJEVO

CURRENCY AND BANK ACCOUNT

Originally, the BAM (Convertible Mark) was pegged to the former German currency - Deutsche Mark. With the introduction of the Euro, the BAM changed its peg without the least bit of trouble (**1.95 KM for 1 Euro**).

There are many ATM machines in all major towns and cities. Euros, US dollars, British pounds, Yens and other major currencies can be exchanged at the banks and exchange offices that are present in most major towns. They also swap your leftover Bosnia and Herzegovina convertible marks back into any of these main currencies. Most banks do not have a fixed fee, but take a percentage of the total amount. As this percentage varies, you should do a bit of research before exchanging large amounts of money. Credit cards are increasingly widely accepted in major towns. VISA and Master will be accepted in most places, but no guarantee with American Express.

Make sure you have all the cash you need before leaving the major towns, as it is next to impossible to find a money machine or anybody who accepts credit card payments in smaller towns and villages.

LIVING COSTS

- Rough estimates of living costs for a single person:
- Housing 200 € up/month
- Meals 300 € up/month
- Books and other study materials 50 € - up /month
- Local transportation 25 € up/month
- Estimated pocket money 150 € up/month

To save money, we recommend buying a monthly ticket for city buses and trams. There is a student discount, so make sure you give right information when buying tickets or any necessities.

HOLIDAYS

Holidays, during which all public institutions, banks, and post offices are closed in Sarajevo, are:

January 1st and 2nd - New Year

March 1st - Independence Day

May 1st and 2nd - International Labour Day

November 25th - National Holiday

Some public institutions, post offices and banks, as well as some shops and services are closed during **religious holidays (Eid Ramadan, Christmas, etc).**

LIVING AND STUDYING IN SARAJEVO

INTERNET AVAILABILITY

Broadband internet access is widely available throughout the city of Sarajevo (cable, ADSL, wireless) but it depends also on your accommodation (ask for details). Prices and speeds are changing (currently for 15 Euros per month you can get 1Mbit flat rate). There are many internet cafes and faculties have their own computer rooms. Also, many cafes and bars have free Wi-Fi.

ETHNIC COMPOSITION AND RELIGION

Bosniaks, Croats, Serbs, Jews, Roma and other ethnic groups live in Sarajevo. The religions are represented through Catholicism, Christian Orthodoxy, Islam, and Judaism.

CLIMATE

Sarajevo has a continental climate, lying between the climate's zones of central Europe to the north and the Mediterranean to the south. The proximity of the Adriatic Sea moderates Sarajevo's climate somewhat, although the mountains to the south of the city greatly reduce this maritime influence.

The average yearly temperature is 9.5 °C, with January (-1.3°C avg.) being the coldest month of the year and July (25.1°C avg.) the warmest. On average, Sarajevo has 68 summer days per year (temperature greater than or equal to 30.0°C). The city typically experiences mildly cloudy skies, with an average yearly cloud cover of 59%.

LOCAL TRANSPORTATION IN SARAJEVO

There are several ways of public transportation - trams, buses, and city railway. They operate all day (every few minutes) until late night. Tickets can be bought on board (2 BAM) or at newsstands (1-20 BAM – 1.50 BAM depending on transportation).

Make sure that you stamp your ticket once you board. If now, you can be faced with a violation ticket and pay certain amount of money.

Daily tickets are available at the newsstands. Monthly or annual tickets can also be bought at offices at a reduced price (student discount). For a monthly/annual ticket you will need to fill in a form that you are currently enrolled in current academic year and stamp it at the faculty/academy you enroll. Then you will go to the central office of the Sarajevo City Traffic. There you will purchase a pass (app 4€ + photo) and every month you will buy a ticket for special discount app. This monthly ticket enables you to use all buses and trams in the area of the city of Sarajevo.

Taxis

Taxis are quite cheap in Sarajevo. The starting price is 1 BAM and it goes 0.10 BAM per kilometer.

Always ask driver to turn on the taximeter.

OUT OF SARAJEVO

MOSTAR

Bosnia and Herzegovina is the heart shaped land that lies in the heart of southeast Europe. It is here that eastern and western civilizations met, sometimes clashed, but more often enriched and reinforced each other throughout its long and fascinating history.

There are many fascinating destinations throughout Bosnia and Herzegovina for every type of tourist. In B&H, one gets the best of both worlds. Here, the most interesting and attractive sites are a wonderful mix of this tiny country's cultural and natural heritage.
