Sarajevo Social Science Review [SSSR] hereby invites submissions for the 2019 spring/summer edition. The journal publishes social science articles in the form of research/review papers, public policy studies and book reviews. The Editorial Board will consider previously unpublished papers in Bosnian/Croatian/Serbian and English. Submitted papers are subject to a double-blind peer review. By submitting their manuscripts, authors warrant that the submission is their original work, that they have obtained the necessary permissions for the use of copyrighted material, and that it is not under consideration for publication elsewhere.

SSSR is indexed in the Central Eastern European Online Library (CEEOL) and EBSCO (Political Science Complete).

**The deadline for submissions is 31 May 2020.**

Submissions prepared in line with *Author Guidelines* should be sent electronically, in the Microsoft Word document format (DOC or DOCX), to the following email address: [sssr@fpn.unsa.ba](mailto:sssr@fpn.unsa.ba).

Sarajevo, 16 March 2020.

The Editorial Board

## **AUTHOR GUIDELINES**

### **GENERAL GUIDELINES**

#### a) For research/review papers

- Research papers usually contain about 6000 words (and maximum of 8000 words) inclusive of any references, tables, captions and footnotes. The paper should be accompanied by an abstract in Bosnian/Croatian/Serbian and English, up to 120 words in length, and a list of keywords (maximum six).
- The research paper should contain the following elements, in the given order: 1) Title page; 2) Abstract; 3) Keywords; 4) Acknowledgements (if necessary), 5) Main text; 6) References; 7) Appendices (as required). All above elements should form a single document.
- The Title Page should contain: 1) Title of the paper; 2) Author's name; 3) Name of the author's institution, including email address; 4) Author's mailing address and contact number of at least one author.
- The main text should be submitted anonymized, i.e. it should not contain author's name(s) or other identifiable information.

#### c) For public policy studies

- Public policy studies usually contain between 3000 and 4000 words and include: 1) Title page; 2) Main text; 3) References; 4) Appendices (as required). Text preparation guidelines listed under a) also apply here.

#### b) For a book review

- Book reviews usually contain up to 2000 words. Book reviews should contain the following elements: 1) Title page; 2) Main text; 3) References. Text preparation guidelines listed under a) also apply here.

## FORMATTING AND DESIGN

The text of the submission should be formatted as follows:

- Title: Times New Roman font, font size 14, bold, left alignment.
- Authors: AUTHOR and CO-AUTHOR (full name: JOHN SMITH, Times New Roman font, font size 12, capital letters, left alignment)
- Institution: name of the institution, country (under the author's name; please pay attention to proper capitalisation, Times New Roman font, size 12, italic, left alignment).

## CITATIONS

SSSR uses the ASA (American Sociological Association) style of reference citation. For more information please see: American Sociological Association Style Guide, fifth edition (2014) (<http://www.asanet.org/asa-style-guide-5th-edition>). Use of footnotes should be reduced to a minimum, while endnotes are not allowed at all.

- Use the author-date method, e.g. (Jones 2000); (Jones, 2000: 11); (Jones states in the text (2000: 11); Two authors: (Jones and Turner 2000: 11); Multiple references should be in alphabetical order: (Jones 2000; Wright, 2002); If the paper was published by an organisation or governmental institution: (European Union 2000).
- If the author had two or more publications in the same year, indicate a, b, c after the year: (Jones 2000a, 2000b).
- Please do not use footnotes and endnotes to cite in-text references. Use of footnotes should be reduced to a minimum, while endnotes are not allowed at all.

## REFERENCES

The References section should list all bibliographical units referred to in the text, in alphabetical order. Bibliographical units by the same author should be listed in chronological order, from the oldest to the most recent. Below are some examples how to cite references from frequently used sources, with a recommendation to consult the above-mentioned ASA guide (<http://www.asanet.org/asa-style-guide-5th-edition>)
