

INSTRUCTIONS FOR AUTHORS
(for printed and e-editions)

Delivered manuscripts should be edited as follows:

1. the manuscript's title and imprint pages - should be in line with the content model of the title and imprint pages (available at <https://www.unsa.ba/istrazivanje-i-saradnja/organizacija/izdavacka-djelatnost>);
2. manuscript - proofread, designed and technically edited;
3. titles and subheadings should be clear and informative;
4. if manuscript contains illustrations, photographs, graphs, tables, etc., they must be numbered and source from which they were taken stated;
5. if abbreviations and symbols are used in the manuscript, explanations must be attached to the text;
6. the uniform use of one quoting style in the whole manuscript is mandatory;
7. stating and listing the used literature, preferably of a more recent date is mandatory;
8. in the case of an electronic edition, the publisher is obliged to send the manuscript prepared in manner following the above-mentioned instructions (from 1 to 7) to the e-mail address izdavacka.djelatnost@unsa.ba so it could be stored on the platform, and thus meet conditions for creating a CIP catalog record. After NUB BiH assigns the CIP and ISBN number for the electronic publication, the publisher is obliged to highlight them on the manuscript's final version and re-send it to the aforementioned email in order to permanently store it on the platform www.ebooks.unsa.ba.
