 University of Ljubljana,  
4-6 December 2024

### What will I learn?

- Research-based Innovation Ecosystems
- Problem & Solution Space Analysis
- Different Commercialisation Strategies and IP Valorisation
- Venture creation strategies and resources

### What will I gain?

**Project Application  
for Public Funding**

**Individual  
Mentorship Plan  
for the next 3  
months**

**Pitch Presentation  
for Investors**

**+ Networking with peers and experts**

**Online  
coaching**

(1:1 and Group)

# SPIN: Rise

---

## Cost

- **Free** for researchers from EIT Digital partner universities & organisations associated with the University of Ljubljana.
- **€570** for researchers from other organisations.

In both cases, **accommodation** in Ljubljana for 3-day in-person bootcamp **is included**.

All participants need to cover their own travel expenses.

## Application Deadline

- **November 4th**, for applicants requiring accommodation in Ljubljana.
- **November 21st**, for applicants **not** requiring accommodation in Ljubljana.
