Invitation and information

Dear students and colleagues,

we cordially invite you to the *International Workshop Days of Faculty of Forestry “Scientific Writing, Data and Ecological connectivity Knowledge”* that will take place on

Dates: 11th and 12th of June 2025 starting at 9.00h, at

Venue: University of Sarajevo – Faculty of Forestry, Zagrebačka 20, 71000 Sarajevo

Field trip area: Broad area of Sarajevo.

Who can attend:

The workshop is open to students and academic staff working on scientific papers, ecological modeling, and statistical data analysis.

Registration:

If you are attending consultations and field trip, please register by sending an email to e.hukic@sfsa.unsa.ba no later than June 9th, 2025.

Registration form: <https://forms.office.com/e/azLFX5nvAQ>

Important note:

Students, early stage career researchers interested in improving their scientific work can apply with their data, experimental designs or paper drafts and get scientific consultations.

Participants are kindly requested to bring or prepare their research data (in progress or finalized) related to their papers or projects, particularly for sessions focused on statistical methods and publication development.

We look forward to your participation in fostering academic exchange and building stronger networks in scientific communication and ecological research!

For any question please do not hesitate to contact us:
